## Newsletter: March 2021

The President has spoken, and we are all well informed regarding the latest restrictions regarding the Covid Pandemic.

The Easter Weekend is upon us and we ask all our clients and users of the marina to be extra careful and safe when boating and enjoying our beautiful facility, the Berg River and the ocean.

### 1) Governance

- 1.1) **SPEEDING IN THE MARINA:** Please remember, keep speed to DEAD SLOW. The waterways are NO-WAKE zones.
- 1.2) **PARKING of BOAT TRAILERS:** The designated trailer park near the slipway is exclusively for TRAILERS ONLY. Please do not park trailers in the general parking area.

### 2) Dredging

- 2.1) We are formally engaging with the relevant National Government Departments in order to complete the applications submitted. The meetings are tense and we hope to get to decisions by June 2021. We can report that we are enjoying the solid support of the Bergrivier Municipality as well as the Provincial Department.
- 2.2) The approval of the Berg Estuarine Management Plan is still in process.

### 3) Embankments and Walkways

Planned maintenance on the walkways and embankments for 2021, as per our budgeted priority listings, is in process.

If you are aware of areas that are in need of urgent attention, please alert the Marina Manager.
